Dear Collector

Welcome to Stamping WA, the definitive guide to the West Australian Stamp World. All the local stamp clubs and societies are listed with meeting dates, venues, contact details and publication information. The number of clubs illustrates the large choice there is for both the general and specialised collector.

In addition the calendar of events further reinforces the variety of stamp shows and stamp auctions Perth has to offer. The dates, times and venues are listed in full. There are some events yet to be finalised but these will be advertised closer to the event on websites and through club newsletters.

Finally a comprehensive list of websites allows the collector to explore further the opportunities that are available to meet fellow collectors, share information and learn about the hobby.

If you are not already a member of a stamp club, please do join one of the ones listed and become an active member. The support of collectors is invaluable to their survival and the committee work hard on a voluntary basis to promote the hobby and enhance the enjoyment of the collector.

My thanks to Australia Post, Renniks and Ace Stamp Auctions for their advertising to allow this booklet to be free to all collectors. Please support them when buying your stamps, accessories and catalogues. A list of Australia Post WA Philatelic Sales Offices gives you your closest outlet for all new issues.

Finally, please contact me at the address below, to amend, correct or update an entry for future listings including events for the 2011/12 calendar.

Happy collecting.

Ian Boulton
